## WHAT WE'RE DRINKING

2017 Yarra Yering Blanc de Noirs	Yarra Valley Vic	150
Is there anything winemaker Sarah Crowe can't do? Buttery toast topped with red apple, coupled with a creamy texture and bright refreshing finish.		
2022 Frankland Estate 'Isolation Ridge' Riesling	Great Southern WA	120
Now this is why we love Riesling from the Great Southern! Steely tension and acid line balanced by fruit and texture. Riesling goes with everything!		
2021 Rill House 'My Deer Bride'	Macedon Ranges Vic	145
This is one of our favourite examples for cool-climate Chardonnay in Australia. Delicate with crystalline purity, dabbling in toasty oak and savoury spice.		
2022 Feudo Montoni 'Rosé di Adele' Rosé	Sicily Ita	99
Drink Italian Rosé! Hailing from one of Sicily's oldest estates. A dazzling mix of gingery spice, mint and candied citrus.		
2023 Aphelion 'Welkin' Nero d'Avola - <i>chilled</i>	McLaren Vale SA	79
After something light and fresh? Maybe chilled? This Nero from the Vale is super bright with redcurrant, plum and a healthy dose of lifted spice.		
2021 By Farr 'Côte Vineyard Pinot Noir	Geelong Vic	380
One of the great producers of Pinot Noir in Australia. A beautifully interwoven expression of site and vintage – fresh and edgy with bucketloads of character.		
2022 Clos du Fief, Beaujolais-Villages La Roche Gamay	Beaujolais Fra	126
Tastes like a basket of cherries and other forest delights. The fruit is super-vivid here, so the wine really speaks for itself! Incontestable drinkability.		
2006 Crawford River Cabernet Sauvignon	Henty Vic	246
There's something special about drinking a wine at maturity, particularly from a benchmark producer like Crawford River. Blackcurrant, dark chocolate and tobacco leaf.

## NIKKA

Nikka's founder Masataka Taketsuru went in search of a cool site that mirrored the Scottish Highlands where he learned his trade. His original distillery, Yoichi, was established in northerly Hokkaido in 1934 and produces a bold and weighty spirit. A second site, Miyagikyo, was established near Sendai in 1969 to produce floral, fragrant whiskies, and a light grain spirit that contributes to Nikka's reputation for premium blended drams.

## CHICHIBU

It's not always the case that rarity equates to quality, but it's certainly true of Chichibu. Ichiro Akuto's precise technique and meticulous attention to detail has led to a well-deserved cult following for this independent distiller.

## KOMAGATAKE X CHICHIBU

Six years ago, Shinshu Mars and Chichibu exchanged young whiskies made at each distillery before maturation as part of their joint project. This initiative defies the conventional wisdom of Japanese whisky, with hope that the custom of exchanging malts, which is common in Scotland, could be realized in Japan.

## SHINSHU MARS

At 800 meters above sea level in the Japanese Alps, the Hombo family have the most elevated distillery in Japan. Mothballed in 1992 due to a lack of demand for local whisky (can you believe it?), they reopened the distillery to much acclaim in 2011.
